Lori Anderson with there from the Paradise Theater asking for support for the film festival that is April 17-18 To sponsor a movie we get our name in the brochure and on the radio, on the marquee on the screen and in all written ads. The motion was made and 2nd to support a film for \$250.

Lori Anderson also talked about volunteers to work the concessions at the theater. We would receive 2 free movie passes for volunteering plus you can stay and watch the movie that is playing. I mentioned having a night where it is the ECWOT so we could wear our shirts. She is bringing Norma to the next meeting to hand our paperwork and answer questions.
